Tender opportunity

The Invest Hull - Supporting Business Growth Programme, project is funded by the UK government through the UK Shared Prosperity Fund. This project is delivered by Hull City Council.

Mission – To reduce our electricity consumption and reach NET Zero

Details – Installation of a 40kw solar panel system with all the ancillary parts required to the roof space on the building. The successful company would be expected to complete the contract in one duration unless otherwise agreed.

Further details can be found in the tender documents that can be obtained by emailing sam@refurbit.co.uk quoting 'expression of interest: Solar Panel supply and installation tender'

Contract will be awarded on a price / quality split (65% Price / 35% Quality). Further details can be found in the tender documents.

Closing date 31/10/2023

Contract award date 06/11/2023

In the first instance please email sam@refurbit.co.uk. Guided site visits can be arranged through this email. Please provide your contact details and we will contact you.
